

Employee Self Service: Pension Tile

The screenshot shows the UConn Employee Self Service portal. The main dashboard includes tiles for Time, Payroll (Last Pay Date: 08/09/2024), Personal Details (Action Required), Benefits Details (Action Required), Leave Management, and Open Enrollment (Your Open Enrollment Event is not available. You have another event available to be processed.). The Pension tile is highlighted with a red border. The expanded Pension tile contains three sub-tiles: 1. Beneficiaries & Contributions (document icon), 2. 2024 Retirement Info (document icon with checkmark), and 3. Pension Estimate (document icon with plus sign).

The Pension tile will only be visible/available for employees in a retirement eligible position whose records have been reviewed by the Retirement Division.

1. Beneficiaries & Contributions – View your beneficiaries and retirement plan.
2. 2024 Retirement Info - Links to the Retirement Division website where you can review your retirement summary plan document.
3. Pension Estimate – Review and calculate your Pension.
